By wisdom a house is built, and through understanding it is established; through knowledge its rooms are filled with rare and beautiful treasures. —Proverbs 24:3-4

The Lord is the architect of us all. Dolley likens our hearts and souls to a house. There are many parallels between the houses we actually live in and our heart's house.

Both need solid ground, a good foundation, strong framework, doors, windows, and a plan to bring it all together. Actual houses need an architectural plan and our hearts need God's plan, His Divine Design. "*For I know the plans I have for you' declares the Lord, 'plans to prosper you and not harm you, plans to give you hope and a future.'*" Jeremiah 29:11

Through vivid word pictures, Dolley weaves her personal testimony and draws us into our own story too. This weekend will lay a foundation for understanding the difference between remodeling and restoration, a framework to build upon and an open house invitation to "Come and see what the Lord can do!"

Find out the difference between remodeling and restoration. This will be the framework for the retreat.

Saturday morning - Trading Spaces...Loving Ways to Bring Our Friendships up to God's Heavenly Code

Saturday evening - New Spaces—Before and After

Are you looking for Divine Designs that will bring you closer to our Lord and possess the ultimate makeover with Him? We will spotlight specific challenges for daily quiet times, bring restorative understanding to common pitfalls and access Divine Designs for day by day renovation.

Sunday morning - Reflections of Divine Design The Ultimate Makeover and Gift From The Heart
